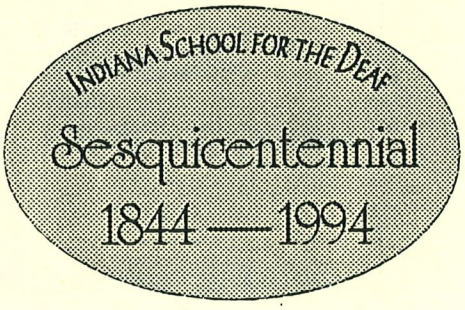
Summer Work

ISD Students

ISD is again offering employment opportunities for students fourteen years or older by June 1. A limited number of positions are available. The program will operate beginning June 13 and end August 5. Daily transportation must be provided by parents. If you are interested in the program, please contact Dan Stutler at 317-924-4373 extension 157 (TTY/voice) for more information by May 19.

Nine-month Hourly Staff

A limited number of positions for summer employment are available for nine-month employees (teachers too!) at ISD through a variety of programs. If interested, please see Kelly Phillips in Alumni Hall G21 for more information. The deadline is May 20.



Thought for the Week:

"Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope and crossing each other from a million different centers of energy and daring, these ripples build a current that can sweep down the mightiest walls of oppression and resistance. Few are willing to brave the disapproval of their fellows, the censure of their colleagues, the wrath of their society. Moral courage is a rarer commodity than bravery in battle or great intelligence. Yet it is the one essential vital quality for those who seek to change a world that yields painfully to change. And I believe that in this generation those with the courage to enter the moral conflict will find themselves with companions in every corner of the globe."

Schindler's List Premier

"Two thumbs up!"

The Academy Award winning movie *Schindler's List* was the premier offering of a new service available to the Indianapolis area Deaf community. Films are open-captioned by the studios themselves and shown in cinemas. Glendale Mall's General Cinema is cooperating with local sponsoring organizations Relay Indiana and radio station WQFE-101.9 FM to make the service available. A "full-house" for both Friday and Saturday nights' screenings served to underscore the need for and community interest in the idea. Local presentation of the film was made possible through the cooperative efforts of the National Fraternal Organization of the Deaf (The Frat) and the Indiana Association of the Deaf (IAD).

The plan is to show one movie each month. Next month's movie, *Philadelphia*, will be shown Saturday June 4 at 7:30 pm. All seats are $4. It is rumored that *Jurassic Park* may be next in line, so keep your "eyes peeled." See you at the movies!

Regional NAD Conference

David Reynolds and James Games were chosen to serve as IAD's Delegates to the NAD regional conference held recently in Kansas City. Both participants report that the conference was a great success and the hospitality of the Olathe Deaf Community was fantastic! Participants identified priorities in preparation for the up-coming national convention areas of concern included:

1) ASL as an official language of the Deaf Community in each state

2) BiBi Education in all Deaf Education must be addressed and recognized at both state and federal levels

3) Mental Health - lack of services and support

4) Lack of interpreter training

5) Youth leadership camps (a big concern)

Many, many more...

When asked about their specific position on BiBi and ASL- both Executive Director Nancy Bloch and President Ben Soukup clearly expressed their support. Issues and concerns identified at the meeting will be brought up at the national convention in Knoxville this summer. Reynolds and Games felt that this regional conference has helped put Indiana's and IAD's concerns on the national agenda and will help NAD, too.

For more information about this summer's NAD convention, contact the IAD or ISD's Visitor and Information Center in Alumni Hall.
